

# SOUTHERN CALIFORNIA FAIR JUNIOR LIVESTOCK EXHIBITOR

## Code of Ethical Practices and Certificate of Animal Medication

### Code of Ethical Practices:

I, \_\_\_\_\_, believe that my participation in the Southern California Fair Jr. Livestock Program demonstrates my own ability, knowledge and skills as a feeder and fitter of livestock. I will do my own work and only accept advice and support from others.

I have not used abusive or questionable techniques in the feeding, fitting and showing of my animals. I have not resorted to fraudulent, illegal or deceptive practices when feeding, fitting or preparing them for show. I will not allow my parents, my supervisors or any other adults to employ such practices to my animal.

I have read and understand the State, General and Livestock Rules of the Southern California Fair. I have asked my parents and the supervisor of my project animal not to break the rules or make exception on my behalf. I wish for my livestock project to be an example of how to accept what life has to offer-good and bad-and how to live with the outcome.

**I understand it will be an all-natural show.**

I realize that I am responsible for the proper care and treatment of my animals; the production of wholesome food and the development of sound moral character in myself – and others.

### Certificate of Animal Medication:

Under penalty of perjury, we the undersigned certify that:

1. No unauthorized chemicals have been used which would cause the carcass to fail USDA and Food & Drug Administration Standards.
2. The withdrawal time required of any medication (\*including medicated feed) fungicide or pesticide administered has been adhered to.

As the owner of this market animal, I acknowledge I will be responsible for my animal if it is rejected at the processing center due to the presence of drug residues. If drug residue is detected I may be liable to the buyer for an amount equal to three (3) times the purchase price and may also be liable for Attorney's Fees and Civil Penalties (Food and Agriculture Code Section 14363)
