See You This Fall, SoCal Fair Families!

The SoCal Fair Will Return to the Southern California Fairgrounds this September

Perris, Calif. - After the difficult decision to cancel last year's fair, the SoCal Fair is thrilled to welcome its community back to the Southern California Fairgrounds for the 2021 SoCal Fair.

The 2021 SoCal Fair is set to take place Sept. 30th through Oct. 3rd with festivities including its annual Junior Livestock Auction on Oct. 2nd, carnival rides, fair food and daily entertainment.

“On behalf of the 46th DAA Southern California Fair Board of Directors, we are excited to bring our communities back together for our annual fair,” says Board President Marisa V. Yeager. “We especially look forward to seeing the 4-H families, organizations, businesses and cities enjoy our Junior Livestock Auction, carnival rides, food and family friendly activities.”
